OFFICIAL MEMORANDUM.

No. D. 1218, *dated 2nd September* 1941.

The accompanying Press Note, dated 5th August 1941, issued by the Government of India, Commerce Department, regarding allotment to newspapers of import quotas of newsprint is re-published for general information.

By Order,
V. VEDAVYASACHARYA,
Secretary to Government,
Development Department.

PRESS NOTE.

NEWSPRINT CONTROL.

QUOTA ALLOTMENT ON PAST CONSUMPTION.

The Government of India have now received sufficient returns under the Newsprint Control Order, 1941, for them to introduce, on a temporary basis in the first instance, a system by which import quotas for newsprint will be allotted to newspapers on the basis of past consumption instead of to importers on the basis of past imports. Import licenses will be granted up to the limit of such quotas.

This system will cover shipments made during the four months from September to December 1941. Import licenses which have already been issued by Import Trade Controllers to importers, on the basis of past imports, for shipment to be made during September and October 1941 will therefore be cancelled.

Quotas under the new system will be allotted by the Chief Controller of Imports, Commerce Department, New Delhi, who will issue to each newspaper a certificate showing the quota allotted to it for shipment during the four months in question. It will be necessary to attach these certificates to applications for import licenses which will continue to be presented to import Trade Controllers at the ports. The Import Trade Controller will return the certificate to the applicant after endorsing on it the amount which has been included in the import license granted by him.

In order to safeguard the interests of dealers it has been decided that import licenses will be issued in the name of a newspaper quota-holder only to the extent to which it has imported direct during the calendar year 1940. For imports through dealers it will be open to a quota-holder to nominate any dealer whose name figures on a list drawn up by Government on the basis of the information received by them under paragraph 5 of the Newsprint Control Order, 1941 and the import license will then issue in the name of this nominee.
